

3. As I Am

My my, how did I get here and where is here?

It feels like déjà vu

My my, how did I get here, because sometimes I wanted to be you

But if I had to choose between my life as I know it and your life as you know it,

I would stay

As I am, as I am, as I am

As I am, as I am, as I am

My my, how I try

Try and throw a rock through a brick wall

My my if I could fly

I wouldn't be locked in

But it's just impossible

But if I had to choose between my life as I know it and your life

You know I'd stay

As I am, as I am, as I am

As I am, as I am, as I am

I give to you my innocence, my strength

I give to you my innocence, my strength

My my, how did I get here and where is here?

It feels like déjà vu

My my, I'm not gonna lie

No matter how I try, I know I can't be you

As I am (repeat)
