

## 9. Brand New Day

It's a brand new day  
And I feel ok  
The sun's still shining  
The birds are singing  
It's a brand new day

It's a brand new day  
Though the sky is grey  
The world's still turning  
And hearts are yearning  
It's a brand new day

I step outside  
and make my way  
With a spring in my step  
To the same old same  
It's a brand new day

It's a brand new day  
And I have to say  
That despite the warning  
A storm is coming  
But I'm still ok, it's a brand new day

I step outside  
and make my way  
With a spring in my step  
To the same old same  
It's a brand new day

And breathe  
And breathe  
And breathe  
And exhale

And breathe\_\_\_\_  
And breathe\_\_\_\_  
And breathe  
And exhale

Now I make my way  
To the other side  
Where my heart's enlightened  
I'm no longer frightened

As I make my way to the other side

I step inside  
And make my way  
To the secret door  
To a world sublime  
It's a brand new day

I step inside  
And make my way  
To a secret door  
To a world sublime  
It's a brand new day

And breathe  
And breathe  
And breathe  
And exhale
